SPACE ASSIGNMENTS

Vendor locations and other considerations are at the discretion of the First Wednesday Market Coordinator. The coordinator considers the vendor's customer relationships, the product mix, customer flow, special promotions and seniority. Priority is also be given to returning vendors.

There are two categories of vendors:

- Those who pay for the season of market days in advance
- Those who pay event by event

The former (category 1) will be given higher priority in terms of space assignment than those in the latter (category 2).

Applications must be completed and turned in to the market coordinator prior to selling at the market. All vendors must pay in advance of attending the market. First Wednesday reserves the right to refuse to do business with any vendor, and to prohibit any product from sale.

If the vendor must leave due to an emergency, they **MUST** notify the market coordinator so safety precautions can be taken.

VENDOR SET-UP

Admittance to and setup for the market begins at 2:00 p.m. **DO NOT SET UP EARLIER THAN 2:00 PM.** The Market Coordinator will direct each vendor to their respective space. The Market area must be fully assembled by 3:45 pm. **NO VEHICLES** will be allowed to enter the Market after 3:30 p.m.

Main Street is completely closed to through traffic between 21st Ave and Pacific Avenues at 2:00 p.m.

Entering the Market

All Vendors will enter for set-up at 21st Avenue and Main Street. One lane of traffic must remain open at all times while loading and unloading. This permits other vendors to enter and exit the market without waiting for blockage to clear, and allows emergency vehicles complete access at all times. Please follow the one-way traffic instructions.

Parking

Market vendors are required to park away from the market from 3:45 p.m. until 8:15 p.m. Set-up can begin no earlier than 2:00 p.m. on the day of the event at which time the streets are blocked to through traffic and one way traffic flow is enforced. This is for your safety and the safety of your workers and the general public.

PULL IN, UNLOAD, PARK, SET-UP. All vendors are asked to proceed to their booth, unload their vehicles and remove their vehicle from the premises as quickly as possible. **Do not set up your booth with your vehicle in the market.** Parking is allowed in all Forest Grove building public parking lots. Vendors may park in the parking lot behind Main Street Westside buildings with entrances on 21st and Main or on the College Way near Pacific University, 1 block east of the Market or in public lots south of Pacific Ave. and in the public lot on the north east corner of A Street and 21st Avenue.

Vendor Tear down

Tear down of booth space may not begin until the official closing time of the market. In case of dispute the closing time will be determined by the Farmers Market Manager's watch. "Tear Down" is defined as breaking down of tables, displays, canopies, equipment, etc. All equipment must remain "up" until the official end of the market day.

Vendor vehicles will not be allowed into the market area for loading of equipment until approval has been given by the Farmers Market Manager. Gates to the market will be opened for vendor admittance approximately 15 minutes after the official end of day or at the Farmers Market Manager's discretion, depending on when customers have sufficiently cleared the streets.

Vendors are not allowed to bring their vehicles into the market area for loading until their booth has been sufficiently torn down. In other words, once it is clear to begin tearing down vendors must break down their booth space as completely as possible prior to bringing in their vehicle.

Clean-Up

Each vendor is responsible for cleaning up his or her own stall before leaving for the day. Vendors shall be responsible for removing their own trash or debris.

YOUR BOOTH AND PERSONNEL

Vendors are expected to behave courteously at all times and not publicly disparage other vendors or products. Behavior such as shouting, fighting, selling products in an aggressive way, or "hawking" detracts from the atmosphere of the market and will not be tolerated. Hawking can be defined as: yelling, barking, or screaming to promote your product; any manner of irritating the customers; or any manner of calling to the customers to attract them to your booth from within your booth space. Any activity considered to be damaging to the market can result in requiring that person or persons to leave the market.

All vendors are required to provide a clean, sanitary, and visually appealing environment. This includes clean dress and appearance of vendors and related personnel. All spaces must be kept neat and clean.

Canopies

SET UP YOUR CANOPIES AND HANG WEIGHTS FIRST! All vendors are required to have straight-leg canopy with weights, and have them secured at all times with enough weight (25# per leg) to keep canopies anchored to the ground no matter the weather.

Electricity

First Wednesday Market does not provide electricity to vendors.

Displays and Signs

Vendor name and location are required to be prominently posted each market week. Signs should be professional looking or professionally made. For safety reasons, no signs, displays or tent poles may obstruct the sidewalk. All prices should be clearly and legibly marked or posted.

Supplies

All equipment and supplies are the responsibility of the vendor.

PRICING TECHNIQUES

Prices are to be set at the sole discretion of individual vendors. Collusion or any pressure among sellers to alter prices is strictly forbidden. All prices should be clearly and legibly posted.

ENFORCEMENT AND DISPUTES

All rules of the market are enforced by the Forest Grove Farmers Market Manager and First Wednesday Market Coordinators who have ultimate on-site authority. If a vendor does not abide by the rules set forth in this handbook, these individuals may take any action deemed appropriate, including barring the vendor from the market that day, and any future market days. Vendors who do not comply with market rules will first be given a verbal notice regarding the rule infraction. It is possible that you didn't know about the rule, even though it is written in the handbook. If, after a verbal warning the vendor still ignores the rule, a written warning and a fine equal to double their booth fee will be given. A third offense may result in expulsion from the market.

MARKET COORDINATORS

The First Wednesday Market Coordinators are volunteers who have assumed responsibility for market day and office operations, to assist the various vendors and consumers, and to make recommendations to and receive guidance from the boards.
